WASABI PEPPER SAUCE

Our Wasabi sauce will give your consumer the zing of their favorite Asian dish with the heat of the capsaicin pepper that they have come to know and love. A great condiment for sashimi and sushi.

GREEN PEPPER SAUCE

The mildest of the four sauces, yet the perfect condiment for Mexican food. This pepper sauce uses the milder more delicately flavorful of green jalapeño peppers that enliven and complement rather than overpower the taste of food.
