

Expand your dried fruit category with SUNSWEET® - THE brand of choice!

Did you know that one in every three prunes consumed worldwide is a SUNSWEET Prune?

SUNSWEET is the world market leader in the dried fruit category. Known as the World's No. 1 seller of prunes since 1917, SUNSWEET has a wide range of premium products to satisfy your consumers desire for healthy snacks. Our quality has once again been recognized by the American Tasting Institute with the Gold Best Taste Award in the Natural Food Category for both our prunes and prune juice.

SUNSWEET is proud to have the most loyal customers in the industry. The reason is simple: Our customers buy Sunsweet because they know that SUNSWEET products sell. SUNSWEET offers the best quality dried fruit in the world, the strongest marketing programs in the dried fruit

industry and a commitment to service excellence.

Shouldn't you be putting this powerful and unbeatable combination to work for your business in order to grow your dried fruit category?
